Re: Charitable Donation/Sponsorship – Irish Toy/Companion Dog Society

Dear Mrs. Hurley,

I have received your correspondence of the 14th of November and am delighted to accept your very kind offer to support our organisation through receipts from the forthcoming open show and auction.

Parkinson's is a progressive neurological condition that has no known cure and there are currently over 9,000 people with Parkinson's disease in Ireland and this figure is set to double by 2030. Our information service and nurse led helpline is open to anyone regardless of means. The association receives no government funding and is completely dependent on donations and bequests and all of our branches are run by volunteers. Therefore your generous assistance is more than welcome and appreciated.

I am delighted to accept your kind invitation on behalf of our association for the event on the 25th of February and again in May. If you could let me know the address of the centre by email, this would be great and the quantities of leaflets required, I will be delighted to have these made available.

Many thanks once again for your kindness and assistance to us, it really is greatly appreciated.

Regards,

Joe Lynch
